

## CLASSIC + UNIVERSAL

XP3414 - A4 sheets · XP3413 - A3 sheets

Classic+ Universal paper is a laser printable textile transfer paper. Specifically developed for full colour transfer application to white or pastel tone textiles only.

A4 samples are available free of charge upon request. Xpres cannot be held responsible for any copier/printer breakages.

### STEP BY STEP

#### STEP 1

Print the design using the recommended settings on the plain side of the Classic + Universal paper.

#### STEP 2

Trim away any excess material.

#### STEP 3

Position the transfer face down on the garment, cover with a silicone sheet and press at 200 degrees with heavy pressure for 10-15 seconds.

#### STEP 4

Peel immediately ensuring the garment stays on the bottom plate of the heat press until the paper has been fully removed.

#### STEP 5

Re-cover the transfer with a silicone sheet and repress for a further 10 seconds. For a softer touch, stretch the garment after pressing.
